

#FUMETTIVOICE

1. CAPTURE THE EXPERIENCE (PHOTO AND NARRATIVE) WITHIN THE PROJECT SCOPE.

FOCUS ON
NON-HUMAN IMAGES THAT
RELATE TO ORGANIC WASTE
OR OBTAIN WRITTEN
CONSENT!

OPTIONAL: CONVERT IMAGE TO SKETCH
FORMAT FOR A DIFFERENT AESTHETIC.

2. DETERMINE THE THEME (SHOWED GUIDE).

S. WHAT DO YOU SEE HERE?
H. WHAT IS REALLY HAPPENING HERE?
O. HOW DOES THIS RELATE TO OUR LIVES?
W. WHY DOES THIS CONCERN, SITUATION, OR
STRENGTH EXIST?
E. HOW CAN WE BECOME EMPOWERED THROUGH
OUR NEW UNDERSTANDING?
D. AND, WHAT CAN WE DO?
(SHAFFER, 1983)

FINALIZE THE
NARRATIVE WITH A
SPEECH BALLOON
(FUMETTO) TO REFLECT
A THEME.

3. YOU ARE NOW READY TO
ENGAGE IN CRITICAL
DISCOURSE WITH YOUR
CO-RESEARCHERS TO BUILD
THE FUMETTI STORY!
